Purdue Pesticide Programs will not permit electronic recording, either audio or video, of any portion of commercial pesticide applicator training conducted under their direction.

Purdue University is an equal access/equal opportunity university.
This mandatory attendance, hands-on program will include instruction on biology of wood destroying pests, elements of construction, inspection tips and graph preparation, inspection forms, equipment and calibration, volume calculations, the Indiana Pesticide Use and Application Law, and preconstruction treatment. This workshop is a part of initial certification. Recertification credits (CCH’s) are NOT awarded.

The program will begin at 8:30 a.m. (EST) and end at approximately 5:00 p.m. on both days, in the William H. Daniel Turfgrass Research and Diagnostic Center. The center is located north of the Purdue West Lafayette campus at 1340 Cherry Lane.

Fee
The registration fee is $200. Seating is limited. Personal or company checks, money orders, purchase orders, MasterCard, VISA, or Discover will be accepted. Cancellation must be made 5 days in advance of the program to receive a refund. A fee will be charged to cancel a registration. The mandatory attendance to this workshop is required one time. Refunds of registration fee will NOT be given if the workshop was previously attended. Purdue Pesticide Programs reserves the right to cancel this program at any time. Purdue University is not responsible for costs incurred due to cancellation.

IMPORTANT: Use only one form per registrant. You may photocopy this form as needed.

Exams
Although those who attend this workshop are eligible for the Core and Category 7b certification exams, the purpose of the workshop is not exam preparation; therefore, certification exams will NOT be offered. Individuals needing to take certification exams should contact the Office of Indiana State Chemist at their website, isco.purdue.edu/pesticide for exam opportunities.

Parking
Parking will be available free of charge at the William H. Daniel Turfgrass Research and Diagnostic Center.

Lodging
The two closest facilities, are as follows:

• Hilton Garden Inn, 356 E State St., West Lafayette: 765/743-2100
• Hampton Inn & Suites, 160 Tapawingo Dr, West Lafayette: 765/269-8000

Numerous additional hotels are located on State Road 26 at the I-65 exit.

What to Bring
Numerous training activities will take place outdoors regardless of temperature or precipitation. Dress accordingly. Attendees are also encouraged to bring a measuring device, tape or wheel.
